Hello ! We are Jess and Jo, a bilingual duo who have been working together in a Montessori school for almost three years.

**What are your children doing for the school holidays ?**

Whatever the weather, our fun filled weeks always include exploring the outdoors, getting close to nature, storytelling, playing recreational games, creating art and crafts, performing science experiments, building activities, making music, having fun and meeting new friends !

**Let your child join us, as we go off and explore !**
